Summary

Computer Science student and full-stack developer with a focus on web development and AI. Builds full-stack websites, trains machine learning models, and writes clean, easy-to-read code. Experienced across frontend and backend development and testing Large Language Models (LLMs) to create smart tools.

Education

North South University

Bachelor of Science in Computer Science & Engineering (CSE)

Computer Science & Engineering (CSE)

July 2022 - 2027

- Data Structures & Algorithms
- Machine Learning
- Object-Oriented Programming
- Database Management Systems
- Software Engineering
- Digital Logic Design
- Operating Systems

Experience

Open Source Projects

AI & LLM Researcher / Developer

Worked with LLMs to build custom AI tools and chat applications.

- Uploaded ML models, datasets, and Python scripts to Hugging Face.
- Used Python and PyTorch to train models.
- Built data-cleaning scripts for large datasets.

Freelance

Full-Stack Web Developer

- Built fast, mobile-friendly websites using modern frontend and backend tools.
- Developed with React, TypeScript, HTML, CSS, and Tailwind CSS.
- Connected apps to SQL databases.
- Focused on usability and responsive design.

University CS Projects

Software Developer

Built desktop apps, logic simulators, and custom academic tools.

Skills

★ **Programming Languages**

Python, Java, C, C++, TypeScript, JavaScript

★ **Web Development**

React, HTML, CSS, Tailwind CSS, Frontend, Backend

★ **AI & Machine Learning**

PyTorch, LLMs, Hugging Face, Data Processing

★ **Databases & Tools**

SQL, Database Management, Git, GitHub

★ **Design Tools**

Canva Pro, Adobe Illustrator, Graphic Design, Poster Design

Interests

📖 **Researching**

📖 **Coding**

📖 **Solving problems**

📖 **Code Debugging**

📖 **Movies**

📖 **Series**

📖 **Books**

📖 **Gaming**

- Used Java, C, C++, and Python.
- Created GUIs with Tkinter and JavaFX.
- Collaborated with teams and documented code clearly.

TCL Global

Dhaka, Bangladesh

Campus Ambassador

February 2025 - Present

- Promoted products and engaged with students on campus.
- Connected with students and represented the brand.

Volunteer

TCL Global

- Student Volunteer in education Expo
- Helping young students find their dream university for studies
